Hike (Option 1) w/ Animal Tracking and Identification: Scouts will set out on a hike between 1 -3 miles long. Prior to starting the hike, Patrols will check in at the Hike Start Station. At the Hike Start Station Patrols will review with a Leader, required gear for hiking, Animal Tracking and identification and LNT Principles.

(Patrols may use Handbook)

Hike (Option 2) w/ Animal Tracking and Identification: Scouts will set out on a hike between 3 -5 miles long. Prior to starting the hike, Patrols will check in at the Hike Start Station. At the Hike Start Station Patrols will review with a Leader, required gear for hiking, Animal Tracking and identification and LNT Principles.

(Patrols may use Handbook)

Safe Water Practices

Scouts will need to identify and put into practice Safe Water Practices
(All Supplies will be furnished) (Patrols may use Handbook)

LNT Patrol Games:

Patrols will work together to complete LNT Patrol Games. Patrols will work as a team without support from Adult Leaders

Aroostook Wildlife Refuge Service Project:

The North Star District will perform a service project to help support the Aroostook Wildlife Refuge. The Project will involve clearing brush along a trail. Please bring any tools or safety equipment such as gloves to help with the project.

North Star District Dutch Oven Desert Buffett:

Unit will prepare a Dutch Oven Desserts that will be shared with the Camporee. (Please prepare enough for your Unit, plus a little extra). The District will supply Vanilla Ice Cream. Each Unit should have their own plates, napkins and utensils for this event.

Evening Camp Fire:

Patrol Trivia Contest, Patrols will be tested on Leave No Trace (LNT) and general Scout knowledge. (Patrols may use Handbook)
