The Adventure Begins Here...

Katahdin Area Council is sending a contingent of Scouts BSA Boys, a Patrol of Scouts BSA Girls and a Venture Crew to the 2021 National Scout Jamboree.

In 2009, the BSA purchased 10,600 acres of

property adjacent to West Virginia's New River Gorge National River area in order to create Summit Bechtel Family National Scout Reserve. The Summit is the new home of achievement, adventure,

and innovation in Scouting. With world class facilities and a focus on outdoor action sports, the Summit welcomed Scouts to a whole new jamboree experience in summers of 2013, and 2017. The Summit also hosted the 2019 World Jamboree and now are planning the 2021 National Jamboree.

Adventure....

The excitement of the jamboree isn't limited to Scouts. The Summit features a large visitor area, where day-users can try out some of the activities that the Scouts are doing around other parts of the Summit. Also, 2013 was the first year that Venturers, a branch of the BSA that includes young women, were part of the jamboree. Whitewater rafting and kayaking, rock climbing and bouldering, and mountain biking are just a few of the activities offered at the Summit. There's also skateboarding, BMX, shooting sports, and zip-line challenge courses. And that's just the beginning.
