FEBRUARY 12, 2022 THE TRAINER'S EDGE

Who is this course designed for?

While the Trainer's EDGE is a required train-the-trainer course for Wood Badge and NYLT staffs, it is also for other trainers wishing to enhance their training and presentation skills. The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer. It is meant to supplement the practice offered through Wood Badge and NYLT staff development, with a focus on the participant, while raising the level of skill a trainer brings to the staff experience. Only practice can polish these skills, but this course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media.
